- Hydrolyzed for rapid absorption and complete bioavailability
- May be administered orally or via feeding tube

## Help Your Patients Heal From Without - And Within

**ProHeal™** Liquid Protein Supplement is a concentrated blend of hydrolyzed collagen and whey protein, for maximum protein content and absorption.

**ProHeal™** is a medical food developed for the dietary management of wounds, and other conditions that would benefit from supplemental protein intake such as hypoalbuminemia, involuntary weight loss, anorexia, protein calorie malnutrition, muscle wasting conditions (cancer, AIDS), dialysis and bariatric surgery.

**Dosage:** Dosage should be determined by a medical professional based on individual's condition and nutritional needs. 2 tablespoons provide 15 grams of protein, or about 30% of suggested daily value.

Product	Size	Reorder #	Units	HCPCS
ProHeal	30 oz	PR01000	6/Case	B4155
ProHeal	1 oz	PR01000U	96/Case	B4155
